LEGEND AND MAP NOTES:

This map accompanies, and is an exhibit to, the Presidio Trust Internal Policy: Permits for Demonstrations and Sale or Distribution of Printed Matter (the "First Amendment Policy"). This map shows areas that are subject to permitting for small groups. Consult the First Amendment Policy for details on whether a permit is required and under what conditions First Amendment activites may proceed.

All areas not shaded or colored are generally available to groups of 25 persons or fewer without a permit, subject to the First Amendment Policy.

The following areas require a permit:

- Natural Areas
- Memorial Spaces
- Areas Subject to Existing Permit or Closed to Public - These areas are provided for convenience only and are current as of August 2018. Other areas of the Presidio may be subject to permitted-only use or closed to the public at any time.
- Buildings (Non-Residential and Residential); and for demonstrations, all areas within 50 feet of a residential unit, or within the land immediately surrounding a residential unit, including any closely associated buildings, structures, pathways and front, back and side yards, but excluding streets and sidewalks that abut the residential unit, whichever is closer

Groups of more than 25 persons must obtain a permit.

- Areas Not Under Presidio Trust Jurisdiction
