Presidio Trust Compendium

Of Designations, Closures, Permit Requirements and Other Restrictions Imposed Under Discretionary Authority

PRESIDIO TRUST

Published September 2026

Introduction

1. Presidio Trust's Compendium Described

The Compendium is a document used by each national park unit to summarize park specific rules implemented under the Code of Federal Regulations (CFR). The Presidio Trust follows the same process as the National Park Service in creating this Compendium for the area of the Presidio of San Francisco administered by the Presidio Trust (Presidio Area B). The Compendium serves as public notice, identifies areas closed for public use, provides a list of activities requiring either a Special Use Permit or reservation, and elaborates on public use and resource protection regulations pertaining specifically to the administration of the specific park. *The Presidio Trust's Compendium does not repeat regulations found in Title 36 of the CFR and applicable federal laws which are enforced without further elaboration at the park level.*

The Presidio Trust regulations, contained in 36 CFR Parts 1001-1005, are largely identical to the National Park Service regulations found in 36 CFR Parts 1-5. These regulations are the basic mechanism used by the Presidio Trust and the National Park Service to preserve and protect the natural and cultural resources of the parks and to protect visitors and property within the parks. Within some of these Part 1001-1005 sections and subsections, the Trust is granted discretionary authority to develop Presidio Area B-specific rules to be responsive to the needs of a specific park resource or activity, park plan, program, and/or special needs of the general public.

This Compendium should be used in conjunction with Title 36 CFR, Parts 1001-1005, to more fully understand the regulations governing the use and enjoyment of Area B of the Presidio of San Francisco. For Area A of the Presidio and other areas administered by the NPS within the Golden Gate National Recreation Area, the NPS Golden Gate Compendium can be found here: https://www.nps.gov/goga/learn/management/lawsandpolicies.htm.

The CFR is available on the Internet at: **www.ecfr.gov**.

2. Laws and Policies Allowing the Presidio Trust to Develop This Compendium

In 1996, Congress created the Presidio Trust and granted broad statutory authority to manage the interior of the Presidio of San Francisco in a manner that preserves the cultural, natural, scenic, and recreational resources for public use, along with financial authorities to fund the Presidio Trust's mission. 16 U.S.C. Section 460bb note, as amended (the Trust Act).

The Trust Act also authorized the Presidio Trust to adopt and enforce rules and regulations that are applicable to the Golden Gate National Recreation Area to carry out its duties and responsibilities under this law. Trust Act, § 104(j). In 1996, the Trust adopted such regulations, as codified in 36 CFR Parts 1001-1005.

The appropriateness of any particular visitor use or recreational experience is resource-based and will vary from park to park; therefore, a use or activity that is appropriate in one park area may not be appropriate in another. Consistent with the Trust Act and the Trust federal regulations, the Trust CEO is directed to analyze overall park use and determine if any particular use is appropriate taking into consideration public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, and/or the avoidance of conflict among visitor use activities.

3. Consistency of This Compendium with Applicable Federal Law and Requirements

The Presidio Trust Compendium is not considered a significant rule. In addition, this Compendium will not have a significant economic effect. The actions and requirements described in this Compendium are found to be categorically excluded from further compliance with the procedural requirements of the National Environmental Policy Act (NEPA) in accordance with Trust federal regulations, 36 CFR Part 1010, and the Presidio Trust Handbook of National Environmental Policy Act Implementing Procedures, and as such, an Environmental Assessment will not be prepared.

4. Applicability of the Compendium

The rules contained in this Compendium apply to all persons entering, using, visiting or otherwise present on federally owned lands managed by the Presidio Trust within the legislative boundaries of Area B of the Presidio of San Francisco. This includes all waters subject to the jurisdiction of the United States, including all navigable waters.

5. Enforcement of Compendium Requirements

The United States Park Police (USPP) enforce the requirements of the United States Code, 36 CFR, and this Trust Compendium. A person who violates any provision of the regulations found in 36 CFR Parts 1001-1005, or provisions of this Compendium, is subject to a fine as provided by law (18 U.S.C. 3571) up to $5,000 for individuals and $10,000 for organizations, or by imprisonment not exceeding six months (18 U.S.C. 3559), or both, and shall be adjudged to pay all court costs associated with any court proceedings.

6. Comments on the Compendium

The Compendium is reviewed annually and revised as necessary. The Trust welcomes comments about its program and activities at any time. Written comments on the Compendium may be submitted to: presidio@presidiotrust.gov.

7. Effective Date of the Presidio Trust's Compendium

The Trust's Compendium is effective on the approval date listed on the first page of this document and remains in effect until revised.

8. Authority to Make Editorial Corrections

The Trust's Planning Manager has the authority to make minor editorial corrections to this Compendium, limited to correction of typographical, grammatical, or spelling errors; formatting, number, or cross-reference adjustments; clarification of punctuation or syntax that does not alter the meaning or intent; and updating citations or references for accuracy and consistency. Such editorial corrections shall not have the effect of changing the legal effect, substance, or policy intent of this Compendium or changing the effective date of this Compendium.

9. Additional Information

Some of the terms used in this Compendium may have specific meaning defined in 36 CFR 1001.4 Definitions.

10. Availability

The specific discretionary authority for the Chief Executive Officer of the Presidio Trust to establish reasonable schedules for visiting hours, impose public use limits, and close areas to all public use or to a specific use within Presidio Area B as depicted on Exhibit 1 is found at 36 CFR Section 1001.5 and other relevant provisions of Title 36 Chapter X of the Code of Federal Regulations, and is delegated by the Presidio Trust Board of Directors. The restrictions set forth herein are established to protect Presidio Area B resources, visitors and employees.

Under 36 CFR Section 1001.7, notice of all restrictions, closures, designations and permit requirements will be made available to the public by at least one or more of the following methods of notifications: maps, brochures, signs, electronic media, or other appropriate methods, as well as within this Compendium. This Compendium and its exhibits are available on the Presidio Trust Public Documents webpage: https://presidio.gov/about/presidio-trust/documents.

Topics

Alcoholic Beverages and Controlled Substances

1. The use and possession of alcoholic beverages in Presidio Area B is allowed in accordance with this section. The following areas and/or public facilities are closed to consumption of an alcoholic beverage or the possession of a bottle, can or other receptacle containing an alcoholic beverage that is open, or that has been opened, or whose seal is broken or the contents of which have been partially removed:
    a. Amatury Loop Playground
    b. Armistead Playground
    c. Baker Beach (Stilwell) Playground
    d. Compton Street Playground
    e. Fort Scott Field, including the area within 25 feet of Fort Scott Field area of play
    f. Morton Street Field, including the area within 25 feet of Morton Street Field area of play
    g. Outpost Playground
    h. Paul Goode Field, including the area within 25 feet of Paul Goode Field area of play
    i. Public restrooms
    j. Sumner Playground

This restriction is necessary as the consumption of alcohol in these areas is inappropriate considering the use of these areas as playgrounds for children, for organized sporting events, or are areas maintained for tranquil, contemplative atmosphere, and is further necessary to reduce conflicts among visitor uses.

2. Possession of marijuana or other controlled substances in Presidio Area B is prohibited. Marijuana is classified as a controlled substance under Federal law.

- **Violation**: Violating a closure imposed pursuant to 36 CFR § 1002.35(a)(3)(i) is prohibited. 36 CFR § 1002.35(a)(3)(iii). The possession of a controlled substance is prohibited. 36 CFR § 1002.35(b).

- See Picnicking and Special Events herein and Presidio Trust Regulation 36 CFR § 1002.35 for additional information regarding alcohol and controlled substances in Presidio Area B.

Bicycles, Electric Bicycles, Motorized Scooters and Motorized Personal Assistive Mobility Devices

1. **Designated Routes:**

a. *Bicycles*. Bicycle use is permitted on Presidio Trust roads, in parking areas and on bike paths, lanes and routes designated by the posting of signs, or as designated on the Trails and Bike Routes Map included as Exhibit 2.
b. *Electric Bicycles*. The use of Class 1 and Class 2 electric bicycles (e-bikes) are permitted on all designated routes open to bicycles under subsection 1(a). Class 3 e-bikes are prohibited except on Presidio Trust roads and in parking areas.
c. *Motorized Scooters*. The use of motorized scooters is permitted on all designated routes open to bicycles under subsection 1(a). Motorized scooters are prohibited on sidewalks. Riders of motorized scooters must have a valid driver license (any class). Motorized scooters may not be parked on sidewalks in a position that blocks pedestrian paths or stairs.
d. *Electric Personal Assistive Mobility Devices*. The use of EPAMDs is permitted on Presidio Trust roads, on multi-use paths, in parking areas, in bike lanes (as designated on the Trails and Bike Routes Map included as Exhibit 2) and on sidewalks. EPAMDs may not be operated at a speed greater than is reasonable and prudent or endangers the safety of persons or property.

2. **Speed Limits:** The maximum speed limit for all bicycles, e-bikes and motorized scooters is 15 mph on all designated routes within school zones, campgrounds, picnic areas, parking areas, utility areas, business or residential areas, and other places of public assemblage. The maximum speed limit for all bicycles, e-bikes and motorized scooters is 20 mph on all designated routes in all other areas and 5 mph on blind curves. Exhibit 12 shows speed limits for roads.
3. **Individuals with Mobility Disability:** Park visitors with a mobility disability are permitted to use motorized scooters and EPAMDs throughout the park, including inside structures and visitor facilities where pedestrians are permitted provided the devices are operated in a safe manner.

With the increasing use of bicycles, e-bikes and motorized scooters as a form of recreation and commuting, the Presidio Trust seeks to accommodate e-bike users and increase opportunities for the public to recreate within and travel through the park. These designated routes and speed limits are consistent with the protection of natural, scenic and aesthetic values, visitor safety considerations and management objectives and will not disturb wildlife or the resources of the area administered by the Presidio Trust. The use restrictions are necessary to protect public safety on roads, multi-use paths and bike lanes and avoid conflict among visitor use activities in high visitation areas.

- **Violation(s):** The use of a bicycle, e-bike, or motorized scooter is prohibited except on Presidio Trust roads, in parking areas and on designated routes. 36 CFR § 1004.30(a). The possession of a bicycle, e-bike, or motorized scooter on routes not designated as open to bicycle, e-bike, or motorized scooter use is prohibited. 36 CFR § 1004.30(b)(3). Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f). Operating a vehicle in excess of the speed limit is prohibited. 36 CFR § 1004.21(c).

- See the Trails and Bike Routes Map (Exhibit 2) and Appendix B – Definitions (Electric bicycle, Electric personal assistive mobility device, Motorized scooter) for additional information about these activities in Presidio Area B.

These sites have limited access to prevent intrusion into residences and their surrounding yards and leased spaces, to protect and enhance required security for employees, government property and utilities, and to protect the public from hazards associated with construction/demolition. The buildings listed above are closed to the public to protect and avoid interference with utility, infrastructure, and park management assets and operations, and to protect visitors from accidents on uneven surfaces, unstable structures and steep drop-offs, or other potentially hazardous conditions. It is not possible to supervise the public in these areas to prevent damage to park resources.

3. This agency action does not modify any limitations, restrictions or requirements imposed by the Federal Aviation Administration (FAA) on the use or operation of unmanned aircraft.

This restriction is established in accordance with 36 CFR § 1001.5(a)(1). This restriction is consistent with the National Park Service ban on unmanned aircraft in national parks and is necessary to avoid adverse impacts of noise and nuisance, for park visitor safety, for wildlife protection, and to avoid adverse impacts to viewsheds and scenic areas.

- **Violation:** Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

Extinguished coals from Tunnel Tops (Picnic Place) grills may be left in place for removal by the Trust.
d. The following additional universal fire restrictions are in effect for all fires:
    i. Paper and kindling are preferred fire starter material. Accelerants such as lighter fluid give off pollution and poisonous gases.
    ii. No burning of trash or debris.
    iii. Fires may be prohibited or suspended by the Presidio Trust at any time due to hot, dry weather conditions, strong winds, or extreme fire danger.
    iv. Fires must be always attended by a responsible adult (18 years of age or older).

    vi. Fires are prohibited during Spare the Air Days (https://www.sparetheair.org/) designated by the Bay Area Air District when air pollution is forecast to reach unhealthy levels in the region.

Presidio Trust and park partners (National Park Service and Golden Gate National Parks Conservancy) are allowed to have fires in approved portable containers and fixed fire pits when associated with a programmatic element that interprets the park. These fires will be set as part of a planned civic event or program designed to educate or otherwise benefit the public. The fire will be set or allowed by Presidio Trust or park partner employees in the performance of their official duty.

- **Violation(s):** Lighting or maintaining a fire or using stoves or lanterns is prohibited except in designated areas and under the above enumerated conditions. 36 CFR § 1002.13 (a). Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

First Amendment Activities (Public Assemblies, Meetings, Sale or Distribution of Materials and Other Message Bearing Items)

1. **Designated First Amendment Areas**. Public assemblies, meetings, gatherings, demonstrations, parades, and other public expressions of views, including the sale or distribution of printed matters and the free distribution of other message bearing items, are allowed within park areas designated as available in Exhibit 4. First amendment activities require a permit issued by the Trust, except those activities that meet the criteria for a small group permit exception, below. Permits are available by following instructions on the Presidio Trust's website at https://presidio.gov/about/first-amendment-permits.
2. **Small Group Permit Exception**. A permit is not required for demonstrations, or the sale or distribution of printed matter in a designated area shown on Exhibit 4, provided the following conditions are met:
    a. The group involves fewer than 25 participants and is not merely an extension of another group already availing itself of the small group permit exception;
    b. The activities do not unreasonably interfere with other permitted demonstrations, special events, or park program activities;
    c. The activities do not involve stages, platforms or other structures;
    d. The activities do not violate an applicable law or regulation (including without limitation, the Trust's regulations, 36 CFR § 1001, et seq., on preservation of natural, cultural and archeological resources, audio disturbances, disorderly conduct, harassment of visitors, and obstruction of pedestrians or vehicles, etc.);
    e. None of the reasons for denying a permit that are set forth in 36 CFR §§ 1002.51(c) or 1002.52(c) (e.g., a prior application for the area has been made, it reasonably appears that the event will present a clear and present danger, or the event cannot reasonably be accommodated in the location applied for) are present; and

f. The activities are within the locations designated as available for demonstrations, the sale or distribution of printed matter, and the free distribution of other message bearing items, as depicted on Exhibit 4.

3. If two or more groups taking advantage of the small group permit exception seek to use the same designated area at the same time, and the area cannot reasonably accommodate multiple occupancy, the Presidio Trust will, whenever possible, direct the later-arriving group to relocate to an available nearby designated area.
4. Other areas may be requested, subject to a permit issued by the Trust, by following instructions on the Presidio Trust's website at https://presidio.gov/about/first-amendment-permits.

Freedom of speech, press, religion, and assembly are rights protected by the First Amendment of the United States Constitution. The Presidio Trust respects and protects the peaceful exercise of these rights in Presidio Area B, while complying with its obligation to safeguard park visitors and resources and manage the park's assets. These areas have been designated as available for demonstrations and the sale or distribution of printed matter for the following reasons: the areas are paved, hardened or resilient enough to avoid damage to park resources; these areas are not designated as natural or wilderness areas and are not managed as commemorative areas. Activities in these areas will not unreasonably interfere with interpretive or and other program and administrative activities, and will not unreasonably disrupt commercial operations, residential areas or other permitted business operations within the park.

Federal caselaw decided in Boardley v. U.S. Dept. of Interior (Boardley I), 605 F.Supp.2d 8 (D.D.C. 2009) and Boardley v. U.S. Dept. of Interior (Boardley II), 615 F.3d 508 (D.C. Cir. 2010) determined that the National Park Service regulations for public assemblies, meetings, gatherings, demonstrations, parades and other public expressions of views and the sale or distribution of printed matter were unconstitutional under the First Amendment. The Presidio Trust regulations are identical to those National Park Service regulations. The rules for First Amendment Activities, above, serve as interim rules for all public assemblies, meetings, and the sale or distribution of printed matter in Presidio Area B following Boardley I and Boardley II.

- **Violation(s):** Violation of the terms and conditions of a permit or violation of the Small Group Permit Exception conditions is prohibited and may result in the revocation or suspension of the permit or an order to cease the Small Group activities. 36 CFR §§ 1002.51(h)-(j), 1002.52(h)-(j). It is prohibited for persons engaged in demonstrations or the sale or distribution of printed matter under this section to obstruct or impede pedestrians or vehicles, harass visitors with physical contact or persistent demands, misrepresent the purposes or affiliations of those engaged in the sale or distribution of printed matter, or misrepresent whether the printed matter is available without cost or donation. 36 CFR §§ 1002.51(h), 1002.52(h).

- See Presidio Trust Regulation 36 CFR § 1005.3 permit requirements for commercial activities in the park, including advertising; and Appendix A (Business Operations Permit) herein for additional information regarding business operations in Presidio Area B. See Special Events for additional information on permits for activities outside of designated park areas.

Foraging

1. Blackberries and other edible berries may be gathered by hand for personal use or consumption in quantities of less than one quart per person per day and no more than five total quarts per person per year. Nuts, seeds, or kernels may be gathered by hand for personal use or consumption in quantities of less than one quart per person per day and no more than five total quarts per person per year. Fruit from trees may be gathered by hand for personal use or consumption in quantities of less than 3 items of fruit per person per month. 2. *Fort Scott Community Garden Orchard*. Fruit from the Fort Scott Community Garden Orchard may be gathered by the public, by hand for personal use or consumption in quantities of less than 3 items of fruit per person per month.

Limited personal use or consumption of berries, nuts, fruit or mushrooms will not adversely affect wildlife, the reproduction potential of these plant species, or otherwise adversely affect the resources of Presidio Area B.

- **Violation(s):** Gathering or possessing undesignated natural products or gathering or possessing in violation of the size or quantity limits is prohibited. 36 CFR § 1002.1(c)(3). Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

Horses and Pack Animals

Horses and pack animals, for other than park management purposes, are prohibited in Presidio Area B.

Many trails within the park are steep and narrow and receive high levels of use by hikers. Certain trails are also open to people riding bikes and scooters. This restriction is necessary to prevent conflicts between equestrians and other Park users.

- **Violation:** The use of horses or pack animals is prohibited in Presidio Area B. (36 CFR § 1002.16(b))

Memorials and Scattering of Ashes/Commemorative Trees or Plants

1. **Human Ashes from Cremation:** The scattering of human ashes from cremation is allowed in accordance with the following terms and conditions:
   a. Remains to be scattered must have been cremated and pulverized.
   b. The scattering of remains on the ground is to be performed at least 10 yards from any trail, road, developed facility, or from any interior body of water.
   c. Scattering must be distributed in general areas so as not to create a memorial or resource damage.
   d. No marker of any kind may be left in commemoration and no publicity may be given to the activity.
   e. The scattering of remains is prohibited into any inland waters, including any lake, lagoon or stream, or tidelands and from any structure, including bridges and piers.
   f. The scattering of remains does not include any entry or activity otherwise prohibited or restricted by law or regulation.

   The scattering of human ashes from cremation in any manner inconsistent with the above conditions is subject to a permit.
2. **Pet Ashes from Cremation:** The scattering of pet ashes from cremation is allowed in accordance with the same terms and conditions as those for human ashes listed under subsection 1(a), except that a permit issued by the Presidio Trust is required to scatter pet ashes at the Pet Cemetery.
3. **Commemorative Trees or Plants:** The planting of memorial or commemorative trees or plants in Presidio Area B is prohibited, except in accordance with a permit issued by the Presidio Trust.

- **Violation(s**): The installation of a monument, memorial, tablet, structure, or other commemorative installation, including planting of tress, in violation of the terms and conditions of a permit is prohibited. 36 CFR § 1002.62(a). Scattering of ashes in violation of the terms of a permit or the conditions set forth in this section is prohibited. 36 CFR § 1002.62(b).

- See Appendix A (Monument, Memorial, Tablet, Structure, or Other Commemorative Installation Permit/Scattering of Ashes Permit) for additional information regarding memorialization and scattering ashes in Presidio Area B.

Pets

1. **Areas Closed to Pets:** Pets are prohibited in the following structures and/or areas:
   a. All areas fenced and/or posted as closed, including the following parade grounds, playgrounds and ballfields as depicted on a map included as Exhibit 6:
      i. Amatury Loop Playground
      ii. Armistead Playground
      iii. Belles and Hayes Street Lawn
      iv. Baker Beach Playground
      v. Compton Street Playground
      vi. Fort Scott Field
      vii. Morton Street Field
      viii. Outpost Playground
      ix. Paul Goode Field
      x. Presidio Golf Course and Clubhouse
      xi. Presidio Wall Playground
      xii. Rob Hill Campground
      xiii. Sumner Playground
      xiv. Coyote Trail Closure Areas (when posted) (see Temporary Trail Closures below)
      xv. Restaurants operating in Presidio Area B, as individually signed
      xvi. Trust-operated public transportation vehicles
   b. During special events, all areas within the special event permitted area (such as, the Main Parade Lawn, Graham Street Lawn, Civil War Parade Ground, Golden Gate Meadow, East Meadow, Western Lawn, or other event locations).
   c. All Presidio Trust public buildings and facilities, including appurtenances thereto and restrooms, are closed to pets.
   d. See also Temporary Trail Closures, below.

The above restrictions do not apply to service animals and dogs used by authorized law enforcement officers in the performance of their official duties.

Voice Control Dog Walking: The 1979 Pet Policy allows for managed dogs (see Definitions), leashed or under voice control, in the following area in Presidio Area B depicted in Exhibit 7:

- West Pacific Avenue: The roadway and adjacent trail of West Pacific Avenue from the Broadway Street entrance at Lyon Street to the 14th Avenue gate. This includes portions of West Broadway Street and Park Boulevard. Voice control is also permitted in the forests and fields adjacent to West Pacific Avenue that are west of Lovers Lane, east of Arguello Boulevard and south of the ecology trail.

This language is provided verbatim from the July 8, 1996, Golden Gate National Recreation Area (GGNRA) Compendium. Please note that in the intervening years, trail names have evolved. In particular, portions of the Ecology Trail were renamed to Mountain Lake Trail or Ecology Trail (Upper or Lower). Refer to Exhibit 7 which maps the designated areas and trails.

In all other areas where dogs are allowed, 36 CFR 1002.15(a)(2), the federal regulation requiring dogs to be on-leash, applies. As stated in the 1979 Pet Policy, “Unmanaged animals are not allowed.”

2. **Unattended Pets:** Leaving a pet unattended is prohibited, except pets may be left unattended and tied to an object outside restrooms for a short time period when the person controlling the pet is using the restroom.
    a. Leaving a pet unattended in a vehicle where food, water, shade, ventilation and other basic needs is inadequate is prohibited.

3. **Pet Excrement:** Pet excrement must be disposed of in accordance with the following conditions:
    a. In all areas of Presidio Area B, pet excrement must be removed immediately from the park or be deposited in a refuse container by the person controlling the pet.
    b. Excrement may not be left on the ground for collection later, even if bagged, and may not be deposited in compost or recycling containers.

4. **Pets Kept by Presidio Area B Residents:** Pets may be kept by Presidio Area B residents provided that the resident complies with the provisions of 36 CFR 1002.15, this Compendium, and the terms and conditions of their lease or other resident agreement.

These restrictions are necessary to protect the health and safety of park tenants and visitors, minimize disruptions to park operations, to protect the park's natural resources and physical assets, to maintain the peace and quiet enjoyment of the park and tenant communities, and minimize visitor use conflicts. Pet excrement can be a health hazard, may deface or damage park resources, and is widely considered to be a deterrent to use of park facilities. The purpose of this restriction is to avoid conflict among visitor uses and enhance health and safety and resource protection. These restrictions are necessary to protect pets, to protect sensitive wildlife and to prevent disruption of visitor experiences in the park.

The 1979 Golden Gate National Recreation Area Advisory Commission Pet Policy (1979 Pet Policy) allowed off-leash dog use at seven or more locations within the GGNRA, but closed other sites altogether to pets. The 1979 Pet Policy states: "Voice or leash control: This is a flexible system. The success of such a system is dependent upon the willingness of visitors and local residents to cooperate with agency personnel, and the willingness of agency personnel to manage dogs, people and wildlife situations; to enforce regulations; and to cite visitors."

Today, more than 40 years after the 1979 Pet Policy was first drafted, the off leash areas included in the 1979 Pet Policy largely remain in place for the Golden Gate National Recreation Area. The 1979 Pet Policy did not originally address what is now Presidio Area B as it was not part of the GGNRA at the time. In the July 8, 1996, GGNRA Compendium, voice control areas for what is now Presidio Area B were added. That area is included in this Compendium where visitors may exercise their pets off leash under certain controls to provide reasonable accommodation of this long-term recreational activity, ongoing since before the establishment of the Presidio Trust.

- **Violation(s):** Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f). Leaving a pet unattended in violation of these conditions is prohibited. 36 CFR § 1002.15 (a)(3). Failing to comply with pet excrement disposal conditions is prohibited. 36 CFR § 1002.15(a)(5). Violation of the conditions established for pets kept by residences is prohibited. 36 CFR § 1002.15 (d).

Photography and Filming

A permit is required for commercial filming of motion pictures or television involving the use of professional casts, settings or crews, other than bona fide newsreel or news television. A permit is required for still photography for the purpose of commercial advertising. Commercial filming/photography may be subject to fees in effect based on the size, scope, and nature of the project. Visitor and amateur photography does not require a permit.

- **Violation(s):** No picture may be filmed, and no television production or soundtrack made on any area administered by the Presidio Trust, by any person other than amateur or bona fide newsreel and news television photographers and soundmen, unless written permission has been obtained from the Presidio Trust. 36 CFR §§ 1005.5 (a)(1). The taking of photographs of any vehicle, or other articles of commerce or models for the purpose of commercial advertising without a written permit is prohibited. 36 CFR §§ 1005.5(b)

Picnicking

Picnicking is allowed in Presidio Area B, except in closed areas, as follows:

1. **Locations:** Picnicking is allowed in any area that is open to the public and has established picnic facilities or landscaped lawn, for groups of up to 50 participants on a first-come, first-served, non-exclusive basis, subject to the following restrictions. Any gathering of more than 50 participants requires a Special Use Permit.
    a. At Presidio Tunnel Tops, for groups of up to 30 participants on a first-come, first-served, non-exclusive basis; any gathering of more than 30 participants requires a Special Use Permit, except at Picnic Place and Outpost Meadow which utilize a reservation system, see below.
    b. Reservations are allowed for picnic tables and barbeques at Picnic Place and Outpost Meadow. See https://www.recreation.gov/venues/VR1400192.
    c. Unreserved picnic tables and barbeques are available on a first-come first-served basis.
    d. At the Presidio Tunnel Tops Picnic Pavilion, tables are available on a first-come first-served basis for gatherings of up to 8 participants. Private events and gatherings larger than 8 are not permitted.

2. **Rules:** Where picnicking is allowed, the following conditions apply:
    a. For groups of more than 50 participants on the Main Post Lawns (Main Parade, Graham Street and Civil War Lawns) or groups of more than 30 participants at Tunnel Tops (with the exception of Picnic Place and Outpost Meadow which utilize a reservation system), or for picnics involving equipment including, but not limited to tents, catering, decorations, or involving hired entertainment or other organized activities, a Special Use Permit is required as provided in Special Events, below. Some areas are not available for events and/or large group permits. Visitors can receive more information by emailing Visitor Services at outdoorevents@presidiotrust.gov.
    b. Many areas offer park-provided grills for public use. See Fires for restrictions on charcoal barbecues, grills, and liquid fuel stoves.
    c. Alcohol is allowed in picnic areas. Kegs are not allowed. See Alcoholic Beverages and Controlled Substances for additional restrictions on alcohol.
    d. Feeding of wildlife, including birds, is prohibited by federal regulation.
    e. Leaving food unattended is prohibited.
    f. All other park rules apply when picnicking, including Prohibited Materials/Ground Disturbance Prohibition, below.

The purpose of these restrictions is to avoid conflict among visitor uses, enhance health and safety, and wildlife and resource protection.

- **Violation(s):** Picnicking in violation of established conditions is prohibited. 36 CFR § 1002.11. Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f). Using stoves or grills in violation of restrictions is prohibited. 35 CFR § 1002.13(a).

Playgrounds, Playing Fields and Organized Sports

1. **Outpost Playground:** The Outpost playground, a fenced nature play area, is open daily from 9:30 am until 6 pm April to October and 9:30 am until 5 pm November to March, in accordance with posted visiting hours. Open hours may vary seasonally due to public safety concerns and/or for maintenance.

2. **Fort Scott Field**. The Fort Scott Field is open daily from 8 am to 10:30 pm and is available for reservation and subject to a use fee. The ball field may be closed periodically for maintenance.

3. **Other Fields**. Paul Goode Field and Morton Street Field are licensed to and/or operated by third party permittees. For information about use of these fields, visit https://presidio.gov/about/playing-fields.

4. **Organized Sports:** The following areas are closed to organized games and sports (see Definitions):
   a. Main Parade Lawn
   b. Civil War Parade Ground
   c. Graham Street Lawn
   d. Presidio Tunnel Tops
   e. Outpost Meadow
   f. Battery Bluff

Impromptu, low-impact pickup games that do not adversely affect natural and cultural resources within these closed areas and that involve fewer than 10 players are allowed (e.g., Frisbee, hacky sack or similar games).

These restrictions are established in accordance with 36 CFR § 1001.5(a)(1) and are necessary for the protection and preservation of grass and turf, the safety of visitors, the equitable allocation and use of park areas, and the avoidance of conflict among visitor uses. The fields and play areas are designated as day use areas during the times specified above due to public safety concerns associated with limited visibility and for protection of turf and play areas listed above. Nighttime use of these areas poses increased threats to natural and cultural resources and sensitive species which could be inadvertently damaged, trampled, or disturbed due to darkness. The areas closed to organized games and sports are open to the public as shared spaces for passive recreation, leisure activities and permitted special events and serve as outdoor gathering spaces for informal small groups. These areas were not designed for and are not managed to support activities that would occur on an athletic field, such as organized games and sports. Opportunities for organized games and sports are available in other areas of the park.

- **Violation:** Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

- See Appendix A (Field Permit and Fee) for additional information regarding ball field reservations and fees in Presidio Area B.

Presidio Golf Course

Golf course public facilities are open to the public during operating hours. The golf course is closed to all persons that are not with an authorized golfing party, except that pedestrian use of the designed park trail crossing the golf course is permitted when the gate is open, unless the trail is otherwise closed for seasonal trail closure or posted as closed.

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary to protect the golf course landscaping and operations, to protect the public from injury from golf balls or walking onto the course and interfering with authorized commercial activities.

- **Violation**: Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

Prohibited Materials / Ground Disturbance Prohibited

1. **Ground Disturbance or Staking Prohibited.** Penetrating the ground with any object, including but not limited to staking tents, umbrellas, or goal posts, or digging or otherwise disturbing the turf or ground surface, is prohibited in Presidio Area B.

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary for the purpose of protecting natural areas and areas maintained by the Presidio Trust for public enjoyment. Push stakes, digging and other activity that penetrate the ground can harm natural and cultural resources and, in developed areas, damage irrigation and pest protection systems. Avoiding harm to resources and the need to repair damaged to turf or infrastructure saves undue costs and prevents disruptions to the public use.

2. **Prohibited Use of Items**: Using the following items is prohibited in Presidio Area B: confetti, streamers, glitter, rice, hay, birdseed, pyrotechnics, balloons of any type, jumpy jumps, bounce houses, or inflatables.

3. **Animals may not be Released in the Presidio**: The release of any animals into or within the Presidio, including birds and butterflies, is prohibited.

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary to prevent or minimize items or activities that create litter or may be released into the park to protect the park's natural and cultural resources and to protect the public.

4. **Glass Bottles/Containers:** The possession of glass bottles and containers is prohibited in the following areas, unless allowed by permit for an event:
    a. Outpost Playground
    b. Fort Scott Field
    c. Morton Street Field
    d. Paul Goode Field

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary to reduce the amount of injurious trash and to prevent injury to park visitors.

- **Violation:** Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

Roadways: Closures and Shared Streets

1. Road Closures: The following roads are closed to travel by motor vehicles, as depicted on the map included as Exhibit 8:
    a. Lincoln Boulevard from Taylor Road to Montgomery Street
    b. Crissy Field Avenue from McDowell Avenue to Lincoln Boulevard
    c. Ralston Avenue from Greenough Avenue to Lincoln Boulevard
    d. Battery Dynamite Road from Lincoln Boulevard to Ralston Avenue
    e. Battery Caulfield Connector Road from Howard Court to Battery Caulfield

f. Wright Loop
g. Shafter Road
h. Rawles Street
i. Patten Road
j. Barnard Avenue
k. Washington Boulevard from Lincoln Boulevard to Kobbe Avenue
l. West Pacific Avenue from the Presidio Wall Field to Lovers Lane Parking Lot
m. West Pacific Avenue from approximately West 14th Avenue, north around Mountain Lake, to 5th Avenue

This restriction is established in accordance with 36 CFR § 1001.5(a)(1). This restriction eliminates conflicts between motor vehicle traffic and other visitor uses and improves safety for park visitors, residents and employees. The restriction provides additional space for recreation and creates more opportunities for visitors to enjoy the park. This visitor use restriction meets the needs of park visitors, and impacts to vehicle traffic are minimal and are outweighed by the recreation and safety benefits.

The above restrictions do not apply to Trust vehicles, law enforcement patrol operations, fire or emergency vehicles, search and rescue missions or official training exercises, and other authorized vehicles.

2. **Presidio Shared Streets:** Roadways depicted on the map included as Exhibit 9 and listed below are shared street zones. On these shared streets, roadway space is shared by vehicles, cyclists and pedestrians with minimal delineation, and traffic calming measures minimize vehicle speeds. Vehicles other than resident, tenant, and delivery vehicles are discouraged:
   a. Washington Boulevard from Arguello Boulevard to Kobbe Avenue
   b. Park Boulevard from Kobbe Avenue to Washington Boulevard
   c. Battery Caulfield Road
   d. West Pacific Avenue from the Presidio Wall Field to Arguello Boulevard
   e. West Pacific Avenue from Arguello Boulevard to the Mountain Lake Trail

Shared Street elements eliminate conflicts between motor vehicle traffic and other visitor uses and improve safety for park visitors, residents and employees. The shared roadways provide additional space for recreation and more opportunities for visitors to enjoy the park. Shared Streets meet the needs of park visitors, and impacts to vehicle traffic are minimal and are outweighed by the recreation and safety benefits.

Skating and Skateboarding

Using roller skates, skateboards, and similar non-motorized devices is permitted on Presidio roadways, except if operating in a reckless manner that endangers the safety of people or property.

Using roller skates, skateboards, and similar non-motorized devices is permitted on paved surfaces wherever pedestrian traffic is allowed, except for the following locations:

1. Presidio Tunnel Tops
2. Outpost Meadow
3. Battery Bluff

7. On any historic military coastal defense structure, memorial, or building

These restrictions are necessary for the protection and preservation of park assets, the safety of visitors, and the avoidance of conflict among visitor uses. The park receives many visitors per year and contains many historic resources that are sensitive to damage from wheeled devices. Park infrastructure (e.g., curbs and walls) can also be damaged by wheeled devices.

- **Violation**: Using roller skates, skateboards, roller skis, coasting vehicles, or similar devices in areas closed to such use is prohibited. 36 CFR § 1002.20.

Smoking

The following portions of the park are closed to smoking and the use of electronic cigarettes:

1. Within all buildings, structures, and gated or secure facilities

9. At Presidio Tunnel Tops
10. At Outpost Meadow
11. At Battery Bluff
12. At Presidio Golf Course
13. At Rob Hill Campground
14. At Fort Scott Field
15. At Paul Goode Field
16. At Morton Street Field

- **Violation:** Smoking in an area or location closed to smoking is prohibited. 36 CFR § 1002.21(a).

Special Events (Races, Ceremonies, Concerts, Other Gatherings)

1. A permit is required for all indoor events.
2. A permit is required for organized outdoor events or activities that meet (but not limited to) any of the following criteria:
    a. Gatherings of up to 50 participants across the park, up to 30 participants at Tunnel Tops (except at Picnic Place and Outpost Meadow which utilize a reservation system)
    b. Any event or gathering that is advertised to the public regardless of size

   f. Inflatables (i.e., jumpy jumps and bounce houses) are prohibited.
   g. Music and amplified sound, live or recorded, must be maintained in accordance with 36 CFR 1002.12 and at levels that do not disturb other park visitors or wildlife.
   h. Signage for the event must be approved in advance.
   i. Portable restroom rental may be required in certain areas for groups over 100.
   j. All trash must be removed. Events larger than 300 people must hire an approved waste removal company.
   k. Events must comply with the Presidio Trust's Requirements for Sustainable Events.
   l. Events larger than 300 people require a transportation plan to reduce auto use.
   m. Any additional terms, as stated in the permit.
   n. See https://presidio.gov/plan-an-event/lawn-rentals-and-special-use-permits for application and additional information.

These restrictions are established in accordance with 36 CFR § 1001.5(a)(1). These restrictions are necessary for public safety, protection of the park's resources, and will minimize conflicts with other visitors and public activities.

- **Violation:** Violation of the terms and conditions of a permit is prohibited and may result in the suspension or revocation of the permit. 36 CFR § 1002.50(e). Engaging in an activity subject to a permit requirement without obtaining a permit is prohibited. 36 CFR § 1001.6(g)(1).

- See Picnicking and Prohibited Materials / Ground Disturbance Prohibited for additional information about these activities in Presidio Area B.

Trails

1. **Off Trail Restrictions:** Traveling off trail (see Definitions) is prohibited in Presidio Area B, including but not limited to the sensitive natural areas identified below and the Presidio Golf Course, as depicted on a map included as Exhibit 6:
   a. Sunset Scrub

i. MacArthur Meadow
j. YMCA Reach
k. Thompson Reach
l. Quartermaster Reach
m. Dragonfly Creek

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary to prevent erosion and "social trails", for public safety concerns related to uneven walking surfaces, and for protecting sensitive habitat for rare plants and wildlife.

2. **Temporary Trail Closures, Seasonal:** All pets, including dogs, are prohibited in the following areas, depicted on the map included as Exhibit 10, during coyote pupping season or at other times when aggressive coyote behavior is observed:
   a. Park Trail between West Pacific Avenue and the Presidio Promenade trail
   b. Bay Area Ridge Trail between Arguello Boulevard and Rob Hill Campground
   c. Other public use areas posted as closed near known coyote dens or where aggressive coyote behavior has been observed

This restriction is established in accordance with 36 CFR § 1001.5(a)(1) and is necessary for public and pet safety and to protect wildlife. During pupping season, coyotes are especially protective of their pups and parent coyotes may exhibit aggressive behaviors when they encounter other canines.

- **Violation**: Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

- See Trails and Bike Routes (Exhibit 2) for more information on designated trails and trail use in Presidio Area B.

Vehicle Load, Weight and Size Limits

1. The following load, weight and size limits apply to Presidio Trust roads indicated below unless otherwise allowed under a permit issued by the Presidio Trust:
   a. One vehicle or a combination of vehicles coupled together, including attachments, may not exceed a total length of 65 feet or weight of 80,000 pounds on any Presidio Trust roads.

   e. Any vehicle owned by the Presidio Trust or other government vehicle while being used during official business; and
   f. Emergency vehicles.

3. **Note:** Other roads may be available for commercial passenger transportation vehicles by permit under Business Operations, above.

These size limits are appropriate for traffic safety and protection of road surfaces and are necessary due to the geometric constraints of these roads and/or restrictions on adjoining San Francisco streets.

- **Violation:** Operating a vehicle that exceeds a load, weight or size limit, failing to obtain a permit when required, or violating a term or condition of a permit is prohibited. 36 CFR § 1004.11(b).

Vehicle Parking

Parking in the Presidio Area B is regulated as follows:

1. **Residential and Commercial Tenant Permit Parking:** Park residents are required to obtain permits from the Presidio Trust through its leasing office. Residential parking is subject to the terms and conditions of the residential parking permit, including fees. Monthly parking permits are available to commercial tenants in accordance with the terms and conditions of the lease. In residential areas, posted time limits do not apply to vehicles displaying a residential parking permit for that zone or displaying a disabled placard.

   This restriction is necessary to minimize demand on limited park parking resources in neighborhoods and for the visiting public and to encourage achievement of park sustainability goals by encouraging fewer private car trips in favor using more sustainable modes of transportation.

2. **Public Parking and Fees:** Parking regulations and fees are posted in parking areas throughout Presidio Area B, as shown on the map included as Exhibit 5. Public parking is available for vehicles under 20 feet in length. Vehicles with valid disabled placards are exempt from parking fees and time limits.
   a. Standard Parking Fee Areas require payment of a parking fee 8 am to 6 pm, every day. Parking fees vary between weekdays and weekends and can be found at https://presidio.gov/visit/getting-to-and-around-the-park/how-to-pay-for-parking.
   b. Discounted Parking Fee Areas require payment of a parking fee 8 am to 6 pm, every day. Parking fees vary between weekdays and weekends and can be found at https://presidio.gov/visit/getting-to-and-around-the-park/parking-in-the-presidio. Discounted Parking Fee Areas are indicated on

Exhibit 5 and include the Fort Scott District, the YMCA Reach Parking Lot, the 14th Avenue Gate Parking Lot, the Palace of Fine Arts Parking Lot, Building 667 Parking Area, Building 1750 Parking Lot, Bowley Street and West Pacific Avenue.

c. Parking fees may be temporarily increased in Standard Parking Fee Areas and Discounted Parking Fee Areas to better manage parking demand during times of increased demand (e.g., special events attracting large crowds such as Fleet Week).

d. Parking Violation Fees may be issued to non-complaint vehicles that do not comply with posted parking fees and limit limits. Parking Violation Fees are found at https://presidio.gov/visit/getting-to-and-around-the-park/how-to-pay-for-parking.

Parking restrictions and fees are necessary to protect resources, allocate parking to accommodate different types of visitor use, and enhance opportunities for more people to visit heavily used areas. These restrictions further encourage the use of more sustainable modes of transportation and minimize automobile use, traffic congestion, and size of parking areas in the Presidio.

3. **Parking Off-Pavement:** Parking off-pavement is prohibited, except as allowed in accordance with street signs.

4. **Large Passenger Transportation Vehicle Parking:** Passenger transportation vehicles (see Definition) 20 feet or longer in length are prohibited from parking, standing or stopping in Presidio Area B, except as follows:

   a. Vehicles up to 45 feet in length may park or stop on French Court or Graham Street at Presidio Tunnel Tops.

   b. Vehicles up to 45 feet in length may park or stop in the designated bus parking spaces in the Anza Avenue parking lot.

   Commuter shuttle services are subject to different restrictions which are provided below and Vehicle Load, Weight and Size Limits.

5. **Commuter Shuttle Services:** Commuter shuttle services (see Definitions) are prohibited from stopping, standing or parking in Presidio Area B except in the Palace of Fine Arts parking lot between 6 am and 8 am.

   This restriction is necessary to minimize demand on limited park parking resources and for limiting traffic on roads in neighborhoods. This restriction is also necessary to minimize impacts on park resources including excessive use damage to parking lots and roads. Parking of transportation vehicles and shuttles in Presidio parking lots is restricted for public health and safety, noise reduction, use by other visitors, and protection of roads and surfaces on roads not designed to carry large vehicles and from overuse.

6. **Color Curbs Zones*:*** Consistent with the California Vehicle Code curb colors, the Presidio Trust indicates parking regulations using colored paint upon curbs as follows:

   a. Red indicates no stopping, standing, or parking, whether the vehicle is attended or unattended, except that a bus may stop for the purpose of loading or unloading passengers in a red zone marked or signposted as a bus loading zone.

   b. Yellow indicates stopping only for the purpose of loading or unloading passengers or freight for the time signposted.

   c. White indicates stopping for either of the following purposes:

      i. Loading or unloading of passengers for the time as signposted.
      ii. Depositing mail or a package in an adjacent mail or drop box.

   d. Green indicates time limited parking for the time signposted or marked on curb.

   e. Blue indicates parking limited exclusively to vehicles displaying a valid disabled placard.

   The purpose of this restriction is to clarify regulations indicated by curb markings.

7. **72-Hour Maximum:** Vehicles are allowed to park in the same location within Presidio Area B for up to 72 hours. Vehicles parked longer than 72 hours may be issued a warning, cited and/or towed, unless displaying a valid residential or commercial/guest parking permit. A disabled placard does not provide an exemption from this restriction.

   This restriction is necessary to prevent storage or abandonment of vehicles on a Presidio Trust roads or parking areas.

8. **Idling of Motor Vehicles:** All vehicles traveling in the Presidio while parked for more than 30 seconds must always have engines off while parked. This prohibition does not apply to law enforcement patrol operations, fire or emergency vehicles, search and rescue missions or official training exercises.

   The purpose of this restriction is to reduce public exposure to exhaust, particulate matter and other hazardous or toxic air contaminants by limiting the idling of buses, trucks and motor vehicles. In addition, this restriction eliminates noise from idling vehicles when parked in or adjacent to residential areas or natural settings located throughout the park. The parking restrictions in paragraphs 1-8, above, are established in accordance with 36 CFR § 1001.5(a)(1).

- **Violation**: Violating a closure, designation, use or activity restriction or condition, schedule of visiting hours, or public use limit is prohibited. 36 CFR § 1001.5(f).

Vehicle Speed Limits

1. The maximum speed limit is 15 mph on all areas within school zones, campgrounds, picnic areas, parking areas, utility areas, business or residential areas, and other places of public assemblage, as shown in yellow on the map included as Exhibit 12.
2. Speed limits are posted using standard traffic control devices. The following speed limits are established for the routes/roads indicated:
   a. The maximum speed limit is 25 mph on the following Presidio Trust roads, as shown in red on the map included as Exhibit 12:
      i. Lincoln Boulevard, between Sheridan Avenue and the 25th Avenue Gate
      ii. Presidio Boulevard
      iii. Lombard Street
      iv. Arguello Boulevard
      v. Girard Road
      vi. McDowell Avenue
      vii. Park Boulevard
      viii. Kobbe Avenue between Harrison and Lincoln
      ix. Bowley Street
   b. The maximum speed limit is 20 mph on the following Presidio Trust roads, as shown in blue on the map included as Exhibit 12:
      i. MacArthur Avenue
      ii. Sheridan Avenue
      iii. Mason Street
      iv. Halleck Street
      v. Battery Caulfield Road between Hays and West Washington residential area
      vi. West Pacific Avenue
      vii. Washington Boulevard, between Compton (West) and Lincoln Boulevard

These speed limits are designated in accordance with 36 CFR § 1004.21(b). These speed limit designations are necessary because the general regulation speed limits are determined to be unsafe and inconsistent with the purpose of the Presidio Trust Act in these areas.

- **Violation**: Operating a vehicle in excess of the speed limit is prohibited. 36 CFR § 1004.21(c).
